Gf = Gluten free    Gfb = Gluten free, served with bread    (n) = Contains Nuts

All dishes free from gluten are marked "gf". Those served with bread are marked "gfb"; please ask your server to remove the bread from your chosen dish if you have a gluten allergy. Please also tell us if you have any other food intolerances or sensitivity so that we can cater for your needs. Some dishes contain nuts. Also note that we use our fryers for different dishes so do ask if you are concerned about cross contamination.
